

28 July 2015: NPSG Meeting Notes (by JB)

12pm at County Hall, Truro.

Present:

John Bennett, Brian Capper, Vanessa Luckwell, Melissa Burrow and Ben Smith-Laing (Parsons Brinckerhoff)

1.	Ben briefed us on the plans that had been prepared for Hayle. These were extensive and included: <ul style="list-style-type: none">• modelling of a new Tolroy junction should the Causeway become flooded• consideration of a link road from Marsh Lane to Nanpusker Road• estimates of traffic in Hayle by 2030	
2.	It was agreed that Ben would send us some of the Technical Notes he had prepared – noting that some had not progressed beyond an early stage and were consequently not fully edited. The NPSG will review these and then get back to Ben and Melissa to see what we would like to take forward for the Neighbourhood Plan.	Ben JB
3.	There was an agreement that we will work together and pool resources to achieve the best possible outcome with the funds available.	

The following files were received following the meeting:
