What do you think are the three best things

KGVMW	Recreation Ground	2
the high street / great independent retailers	community groups	
People	Beach	
The natural surroundings (ie. beach, dunes and estuary)	Peaceful	
People	Beaches	
It's sense of history	The Towans and beach	
Location	Natural Environment	
Beach & Towans (please continue to protect the Towans - no building, plants and animals left or encouraged)	green spaces and it's environment - keep them beautiful & let people know about them and have access to them. - Carnsew Pool/ King George V Walk/ Millpond/ Rec/ greenspace at the back of St Elwyns etc..	
Town where people live, with most facilities here. Unlike St Ives which is a tourist location	Amount of development eg fire station, north quay, rugby ground	
KGVMW	community	
Beach	Beaches	
Community spirit	Shopping Mr B's and Philps	
KGVMW	Rowing Club	
When water impounded	Harbour	
Beach and access	Shopping complex	
Beautiful sandy beaches and scenery.	Walks	
Beach	Mostly local shops (at the minute) but I feel this will change when Asda gets up and Surf	
Good beaches	Good access to leisure and sporting	
On a trunk route	Beaches	
Community groups/clubs/sports	Lovely shops	
Beach	Penpol School	
KGVMW	Beaches	
The people	The pasties

What three things in Hayle would you like to

	3	11
The Library	Free parking	
on street parking	longer on street parking 1hr	
Schools	Allow Debenhams development	
King George V Memorial Walk	Improvement in traffic flow, eg redirect Helston Traffic from A30 with a new slip	
King George V Walk	More high salary oppourtunities	
Copperhouse Pool and quays	Infrastructure to be strengthened	
Dog walking	Nothing	
Sea - help stop erosion of the towans and help to keep the sea clean	More cycling and walking routesso that people can move around the town easily & safely. Stronger policy about dog poo so walking & cycling routes remain pleasuarable - so you can look about not just where your feet or wheels are going. More dog mess bins and put rubbish bins on	
Ideally located fro transport links schools Philps Pasty Shop Walks	Reduced bus services more leisure	
Walk to the beach Beach Safe place The community here is lovely but could be built upon Philps Pasty Shop Good surf Hospital - you must keep it Beach Fresh air - environment Recreation Ground The town in general	Don't like amusements More affordable housing No more traffic lights Bus stop blocking Fore Street Joining of Copperhouse-Foundry retail We need more LOCAL shops/ restaurants /bars and support them. Better rental opportunities for housing More affordable housing Get non-essential traffic out of town Traffic on Mellanear Road too fast Facilities on beaches - toilets Leisure Centre	
	Close KGVMW to traffic	

access to dunes	Parking - too many cars - cost
Historic buildings	Dog poo everywhere
The lido, even though it's a bit crusty looking and needs a revamp and re-promotion	less supermarkets
Heritage	More retail, independent/chain
the way it still has fields and green spaces	Asda ruining the view
The Industrial heritage	Linden Homes quest to build 2000 homes
Waterside location	better secondary schooling
Good transport links	The unsightly areas of undeveloped and
Local groups for all ages	Better design of new housing
a safe haven	More affordable housing for young single people
towans	Leisure activities, a cinema, a bowling alley etc
The pace of life and the relative freedom from Crime and disturbance	less potholes
beaches	for it to be cleaner, less litter
	Stop the heavy lorries going through the town , use the bypass for Helston.
	swimming pool
	More Affordable Housing and I mean really affordable for people on a normal Cornish
	pollution
park	more provision for teenagers
beaches	Sports facilities
Family home	open a nightclub
the friendliness of shopkeepers	ASDA!!!!!!!!!!
Beaches	Cultural events
memorial walk	amount of traffic that comes through the
Access to A30	Traffic hold ups
	The approval of Asda
The train station	ALL !! trains to stop at Hayle
	get more of a sense of space into streets behind Copperhouse & Cornubia PH, it all feels too closed in and intense .
The Towans	Infrastructure - not enough school places -
George V memorial walk	make more use of our water features
the beach	stop traffic coming through the main part of
	Access to A30 at Tolroy
Memorial walk	No more ugly housing developments
Pasty shops	More indoor leisure facilities
Good shops and the fact Hayle is quite unique in being easily walkable on the flat for everyone, and has nice walks	Better promotion and signage of the beautiful beach, especially now the easy access pathway has been installed
local shops	supermarkets
paradise park	anti social behaviour in kids
people	We need an indoor swimming pool
the fact it hasnt become over developed like the likes of st ives	the lack of housing for working first time buyers not non working social housing
schools	pool to have indoor & leisure facilities
Cleanliness & maintenance of floral displays	A new/updated secondary school
St George's walk	Covered heated swim pool
	A sensitive development on the harbour that will allow small shops and restrauts to

Another school  
keep water in copperhouse pool  
More Jobs  
Better beach access from Mexico Towans  
The viaduct though a heritage item is grim

Traffic

More stuff in the park - another park  
un-tidy and building on the high street in  
poor state of repair / decorated  
Improvements to the pool - possibly a winter  
Build a community/sports centre with indoor  
pool and sports facilities, like at Pool.

High Quality hotel  
Building on greenfield sites not allowed

MUCH more affordable housing in any  
development and cheaper land so that local  
people (not prospectors) can build their own  
home & some way of persuading/ helping  
people renovate their empty properties so  
that people can live there.  
Stop people selling their gardens for  
housing development  
more shops

Use Copperhouse Pool more  
More police visible on patrol  
Impound water every weekend  
Freedom to launch small sailing craft  
No more huge supermarkets (following  
Asda's (warehouse looking) arrival)  
Less litter on beaches  
Fewer second homes for mega rich  
Better bus service  
Ease car parking restrictions - time  
More parking, less expensive  
More play equipment at park

Copperhouse Pool water in all the time

2

More affordable housing so we could move  
stop all other building of out of town retail  
parks

More smaller <3000sqft rental spaces for

Build more housing to justify the above.  
Involve more of the community to work  
towards better social and community events  
No more large retail stores built

More jobs in the town for residents of the  
town (so upskilling of workforce through  
projects in the town). Real career prospects  
not just filling shelves at supermarkets.  
Encourage/ mentor/ support local  
businesses with professional help so that  
they can set-up and survive, that's from

Potential closure of St Michael's Hospital  
more jobs

Greener
