

Neighbourhood Plan Questionnaire

Hayle Town Council is leading the creation of a neighbourhood plan - but it must reflect the views of the community.

The Hayle Neighbourhood Plan will set out where new development will go, what kind of development it will be, and what sort of social and leisure facilities are needed to make Hayle a better place to live and work.

Neighbourhood plans provide local communities with the means to make plans for their own areas. The new planning legislation means that local people can write their own neighbourhood plans and show that they approve it through a local referendum vote.

Before any planning proposals are made, the Town Council wants to find out what you think about Hayle.

Can you spend a couple of minutes answering a few questions to make sure you have your say in the future of the Hayle? This is the first stage in the process and there will be further opportunities to comment on the draft plan as it develops
